

the crane & pelican cafe

Welcome to the Top Shelf at the Crane & Pelican. This is a one of a kind private dining experience, reserved for one group at a time. You have access to a private bathroom, & a separate HVAC system so even the air is private up here. You children are welcome to play in the kid's room. We will completely sanitize the top shelf between each gathering. We are currently offering these dining options but you can customize your menu by adding items off of our current limited menu with a minimum of 24 hour notice. You will have a private chef/server/bartender while dining up here so options will be limited to what you have prearranged. Thank you for supporting small business!
